employers; requiring the Legislature to conduct an interim project to study issues related to wage theft in the state and to determine an approach for a statewide wage theft enforcement process; providing an effective date.

Rep. Soto moved the adoption of the amendment, which failed to receive the required two-thirds vote for adoption.

Representative Soto offered the following:

(Amendment Bar Code: 094285)

Amendment 3 (with title amendments)—Remove everything after the enacting clause and insert:

Section 1. (1)(a) The Legislature finds, as a matter of public policy, that it is necessary to declare that the theft of wages through the denial of compensation for work completed at the amount agreed upon by an employer and employee is against the law and policies of the state.

(b) The Legislature further finds that employers, employees, local communities, the overall business climate, and the public all benefit from

wage theft policies and programs that ensure that agreed upon or promised rates of pay are enforced.

(2) As used in this section, the term "wage theft" means an underpayment or nonpayment of an individual worker's wages, salaries, commissions, or other similar compensation agreed upon by an employer and employee.

(3)(a) A wage theft violation exists when an employer fails to pay any portion of wages, salaries, commissions, or other similar form of compensation due to an employee for the work that those wages were agreed to and which were due, within a reasonable time after the date on which the employee performed the work according to the applicable rate and the employer's own pay schedule established by policy or practice, but in no case later than 30 days after the date the work was performed.

(b) If a pay schedule has not been established, a reasonable time after the date on which that employee performed the work shall be 2 weeks.

(4)(a) In the event of a finding of wage theft, the employer shall be liable for the actual back wages due and owing and may be liable for administrative costs in an amount not to exceed \$1,500. In addition, liquidated damages shall be awarded to the employee. Liquidated damages shall be limited to twice the amount a respondent employer is found to have unlawfully failed to pay the complainant employee.

(b) For a second violation, a fine of \$1,000 shall be charged against the employer in addition to liquidated damages and any administrative costs.

(c) For a third or subsequent violation, an employer shall be subject to a fine of \$2,000 per aggrieved worker, and may be liable for administrative costs in an amount not to exceed \$2,500.

(5) Any action brought under this section shall be commenced within 1 year after the last date upon which wages were due to the employee that is the subject of the wage theft claim.

(6)(a) A county may, by local ordinance, establish an administrative process to address wage theft. The process shall afford the parties involved an opportunity to negotiate a resolution to the wages in question. A county, municipality, or political subdivision may not adopt or maintain in effect any ordinance or rule that creates requirements or regulations for the purpose of addressing wage theft other than to establish the administrative process provided for in this section.

(b) Local ordinances must establish a system that provides:

1. A process by which a complaint can be submitted to the county by, or on behalf of, an aggrieved employee, in which a wage theft violation must be alleged.

2. Requirements relating to service of the complaint and written notice on the respondent employer alleged to have committed a wage theft practice, setting forth the allegations put forth in the complaint and the rights and obligations of the parties, which shall include the right of the respondent to file an answer to the complaint, the right to a conciliation process between the two parties, and the right to a hearing on the matter before a county hearing officer.

(c) It shall be the policy of each county to encourage conciliation of the charges made, and to work with the parties in an attempt to conciliate and resolve the matter. A hearing officer may be appointed only if the matter is not resolved through conciliation in accordance with this paragraph.

(d) The final determination of a hearing officer is subject to appeal to a court of competent jurisdiction.

(e) If a preponderance of the evidence demonstrates a wage theft violation has occurred, the hearing officer shall order the employer to pay wage theft restitution to the affected employee along with liquidated damages and any administrative costs.

(f) The regulation of wage theft through local ordinance shall be limited to requiring that employers pay their employees for work performed at the agreed upon rate of pay and establishing a fair procedure and program to review and enforce wage agreements.

(g) An employee not timely paid wages, final compensation, or wage supplements by his or her employer as required by this section shall be entitled to recover through a claim filed in a process or program established in the employee's county of employment, or in a civil action, but not both.

(7) If the employer is found to have acted in good faith or if the employer had reason to believe that the act or omission was not intentional or was not wage theft, the administrative costs against the employer may be waived.

(8) Any local ordinance adopted and implemented before this act takes effect shall remain in place until the local government amends or repeals it.

Section 2. This act shall take effect July 1, 2012.

TITLE AMENDMENT

Remove the entire title and insert:

A bill to be entitled

An act relating to wage protection for employees; providing legislative findings; providing a definition; providing when a wage theft violation exists; providing employer liability; providing fines; providing a statute of limitations; authorizing a county to establish an administrative process to address wage theft by local ordinance; providing requirements; authorizing administrative costs against the employer to be waived under certain conditions; providing that any prior local ordinance adopted and implemented shall remain in place until such time that the local government elects to amend or repeal it; providing an effective date.

CS/HM 205 was taken up. On motion by Rep. Metz, the House agreed to substitute **SM 1080** for **CS/HM 205** and read **SM 1080** the second time by title. Under Rule 5.14, the House memorial was laid on the table.

SM 1080—A memorial to the Congress of the United States, urging Congress to initiate and support nationwide efforts to commemorate the 40th anniversary of the end of the United States' involvement in the Vietnam War and demonstrate the nation's appreciation for the honorable service and sacrifice of Vietnam Veterans.

WHEREAS, the Vietnam War was a Cold War military conflict that occurred in Vietnam, Laos, and Cambodia from November 1, 1955, until the United States Congress passed the Case-Church amendment in 1973 which prohibited the further use of American military forces in the conflict, and

WHEREAS, 2013 marks the 40th anniversary of the end of the United States' involvement in the Vietnam War, and

WHEREAS, there are an estimated 650,000 Vietnam veterans in the State of Florida, and

WHEREAS, because of the intense public opposition to the war that existed at the time, members of the United States Armed Services returned home to an unprecedented lack of formal positive recognition of the honorable service they had provided on behalf of their country and the tremendous sacrifices they had made, and

WHEREAS, the lack of formal "Welcome Home" parades and other traditional celebrations for returning soldiers that were common in previous military conflicts in which the United States was engaged, coupled with verbal and sometimes physical abuse, resulted in great disillusionment, undeserved indignity, and often great suffering and anguish among returning Vietnam veterans, and

WHEREAS, many of these brave men and women are now reaching an advanced age, and

WHEREAS, March 30, 2013, will mark the official date of the 40th anniversary of the end of the United States' involvement in the Vietnam War, and

WHEREAS, on that date this nation will be presented with a unique and historic opportunity to hold appropriate observances and long-overdue recognition ceremonies that will honor our nation's aging Vietnam War veterans and that may finally provide these brave men and women a fitting expression of gratitude and a measure of healing and official closure that has been denied them for decades and that they so greatly deserve, and

WHEREAS, the importance of the commemoration of the 40th anniversary of the end of the United States' involvement in the Vietnam War and the opportunity that such an historical anniversary presents to attempt to rectify past injustices and ingratitude cannot be stressed strongly enough, and

WHEREAS, it is fitting and appropriate that the United States Congress initiate and support efforts at the national level to mark this historic anniversary and to attempt to redress the lack of appropriate recognition and undeserved ingratitude that so many of these brave servicemen and servicewomen received upon returning home, and

WHEREAS, as part of a national effort, it is also requested that the United States Congress authorize the minting of a 40th anniversary commemorative medal expressing the nation's appreciation for the honorable service of Vietnam veterans, and

WHEREAS, for this historic opportunity to be fully realized, the United States Congress should act promptly and decisively, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Congress of the United States is urged to initiate and support nationwide efforts to commemorate the 40th anniversary of the end of the United States' involvement in the Vietnam War and demonstrate the nation's appreciation for the honorable service and sacrifice of Vietnam veterans.

BE IT FURTHER RESOLVED that, as part of such national effort, the United States Congress is requested to authorize the minting of a 40th anniversary commemorative medal expressing the nation's appreciation for the honorable service of Vietnam veterans.

BE IT FURTHER RESOLVED that copies of this memorial be dispatched to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, to each member of the Florida delegation to the United States Congress, and to the legislative governing body of each of the other 49 states of the United States.

CS/SM 1486—A memorial to the Congress of the United States, urging Congress to pass H.R. 2918, the Taiwan Policy Act of 2011.

WHEREAS, H.R. 2918, the Taiwan Policy Act of 2011, was introduced on September 14, 2011, and is currently pending before the 112th Congress, and

WHEREAS, H.R. 2918 seeks to encourage and strengthen the commercial, cultural, and other interests between the people of the United States and Taiwan, as set forth in the Taiwan Relations Act which was enacted in 1979 (Public Law 96–8; 22 U.S.C. ss. 3301 et seq.) and which has served for 33 years as the foundation of United States-Taiwan relations, and

WHEREAS, we are reminded that the Taiwan Relations Act has functioned to ensure peace and stability in the Western Pacific and that it continues to be a priority of the United States to maintain that international stability, and

WHEREAS, this nation must be vigilant to encourage the secure future of Taiwan and must do all that is within our ability to encourage the military self-defense capabilities of Taiwan, and

WHEREAS, economically, Taiwan is the ninth largest trading partner with the United States and that trade translated into approximately \$57 billion in 2010, and

WHEREAS, both nations realize that it is in the best economic interests of the United States and in the national security interests of Taiwan that these two nations continue to cultivate the intricate ties between them, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Congress of the United States is urged to pass H.R. 2918, the "Taiwan Policy Act of 2011," in recognition that the passage of the act is a necessary step toward nurturing and maintaining the diverse interests that bind the people of the United States and the people of Taiwan.

BE IT FURTHER RESOLVED that copies of this memorial be dispatched to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the Florida delegation to the United States Congress.

—was read the second time by title. On motion by Rep. Metz, the memorial was adopted.

HB 1209—A bill to be entitled An act relating to application of foreign law in certain cases; creating s. 45.022, F.S.; defining the term "foreign law, legal code, or system"; clarifying that the public policies expressed in the act apply to violations of a natural person's fundamental liberties, rights, and privileges guaranteed by the State Constitution or the United States Constitution; providing that the act does not apply to a corporation, partnership, or other form of business association, except when necessary to provide effective relief in proceedings under or relating to chapters 61 and 88, F.S.; specifying the public policy of this state in applying the choice of a foreign law, legal code, or system under certain circumstances in proceedings brought under or relating to chapters 61 and 88, F.S., which relate to dissolution of marriage, support, time-sharing, the Uniform Child Custody Jurisdiction and Enforcement Act, and the Uniform Interstate Family Support Act; declaring that certain decisions rendered under such laws, codes, or systems are void; declaring that certain choice of venue or forum provisions in a contract are void; providing for the construction of a waiver by a natural person of the

person's fundamental liberties, rights, and privileges guaranteed by the State Constitution or the United States Constitution; declaring that claims of forum non conveniens or related claims must be denied under certain circumstances; providing that the act may not be construed to require or authorize any court to adjudicate, or prohibit any religious organization from adjudicating, ecclesiastical matters in violation of specified constitutional provisions or to conflict with any federal treaty or other international agreement to which the United States is a party to a specified extent; providing for severability; providing an effective date.

—was read the second time by title and, under Rule 10.10(b), referred to the Engrossing Clerk.

HM 499—A memorial to the Congress of the United States, urging Congress to propose to the states an amendment to the Constitution of the United States that requires the federal budget to be balanced each year.

WHEREAS, a balanced budget amendment to the United States Constitution has been proposed in the United States Congress, and

WHEREAS, the current national debt is over \$14.3 trillion, a cost of approximately \$46,000 for each man, woman, and child in the United States, and is growing at an alarming rate, and

WHEREAS, for 2011, the Congressional Budget Office projects that, if current laws remain unchanged, the federal budget will show a deficit of close to \$1.5 trillion, or a national deficit equal to nearly 10 percent of the country's entire economic output, one of the largest shares of entire economic output this country has experienced since 1945, and

WHEREAS, if the White House budget projections come to pass, the national debt will exceed the current gross domestic product of the United States by December 2012, and

WHEREAS, this spending has created national security concerns that the total interest expense on the debt due by the Federal Government for Federal Fiscal Year 2010 alone, approximately \$414 billion, is almost eight times greater than the 2010 fiscal year budget of the Department of Homeland Security of \$55.3 billion, and

WHEREAS, equally as concerning, foreign-owned debt accounted for approximately 31.5 percent of the total federal debt as of May 2011, and foreigners are, therefore, in a unique position of authority with respect to the United States, and

WHEREAS, credit agencies have already downgraded the nation's AAA credit rating due to the size of its indebtedness and these very large federal budget deficits, deficits that could potentially further destabilize government finances and financial markets, and

WHEREAS, millions of people in this country have made difficult choices discerning between wants and needs and have taken the responsible steps to curb personal spending in these difficult economic times, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Florida Legislature respectfully petitions the Congress of the United States to propose to the states an amendment to the United States Constitution that requires the federal budget to be balanced each year.

BE IT FURTHER RESOLVED that copies of this memorial be dispatched to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the Florida delegation to the United States Congress.

CS/HM 1249—A memorial to the Congress of the United States, urging Congress to propose an amendment to the Constitution of the United States that requires a cap on federal spending as a percentage of gross domestic product.

WHEREAS, the current national debt is over \$15 trillion, a cost of approximately \$50,000 for each man, woman, and child in the United States, and is growing at an alarming rate, and

WHEREAS, the national debt as a percentage of gross domestic product (GDP) is at a historic high and projected to continue rising if action to constrain spending is not taken, and

WHEREAS, the United States does not have a revenue problem, it has a spending problem, and

WHEREAS, every dollar the Federal Government takes out of the American economy is a dollar that cannot be used by American companies and entrepreneurs to create jobs and economic growth, and

WHEREAS, the nation's current budget crisis, if continued, will burden future generations with massive amounts of debt, and

WHEREAS, it is prudent to establish a cap to align federal spending with average revenues at 20 percent of GDP and, thus, reduce the national debt and protect America's financial future, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

SM 1778—A memorial to the Congress of the United States, urging Congress to repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010.

WHEREAS, Congress enacted the Dodd-Frank Wall Street Reform and Consumer Protection Act in 2010, and

WHEREAS, the stated purposes of the act are "To promote the financial stability of the United States by improving accountability and transparency in the financial system, to end 'too big to fail,' to protect the American taxpayer by ending bailouts, to protect consumers from abusive financial services practices ..., and

WHEREAS, the act's almost 2,400 pages of federal legislation increases the size of the Federal Government by creating 13 new regulatory agencies requiring 2,600 new positions while abolishing only one agency, and

WHEREAS, the Congressional Budget Office predicts that the cost for companies to implement the act over the next 5 years will be approximately \$2.9 billion, and other groups estimate that the broader economic costs of the act could approach \$1 trillion, and

WHEREAS, the extensive regulations imposed by the Dodd-Frank Wall Street Reform and Consumer Protection Act will severely damage the ability of American companies to compete internationally with foreign companies or even create American jobs, and

WHEREAS, the Dodd-Frank Wall Street Reform and Consumer Protection Act is an inadequate response to the financial devastation that began in 2008, in part because it has given unfair advantages to the Federal Home Loan Mortgage Corporation ("Freddie Mac") and the Federal National Mortgage Association ("Fannie Mae"), institutions that were substantial contributors to the financial crisis, and

WHEREAS, the Dodd-Frank Wall Street Reform and Consumer Protection Act was championed as creating the most significant financial regulatory reform since the Great Depression, but, in contrast, it has become a radical expansion of federal regulation, vests unprecedented power in the hands of unelected bureaucrats, increases the likelihood that there will be more taxpayer bailouts, has not strengthened the economy or brought stability to the troubled housing market, and does nothing to address the most elemental causes that created the financial crisis of 2008, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Congress of the United States is urged to repeal the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010.

SM 1822—A memorial to the Congress of the United States, urging Congress to repeal the Sarbanes-Oxley Act of 2002.

WHEREAS, the Sarbanes-Oxley Act was enacted on July 30, 2002, in Pub. L. No. 107-204, and

WHEREAS, the stated purpose of the act is "to protect investors by improving the accuracy and reliability of corporate disclosures made pursuant to the securities laws ...," and

WHEREAS, this federal legislation was passed with the best of corrective intentions after the discovery of corporate fraud and accounting scandals that cost investors and retirees billions of dollars, and

WHEREAS, the Sarbanes-Oxley Act, in spite of the good intentions that motivated its passage, has created an extremely complex maze of federal regulations that are costly and damaging to public companies and diminish the companies' ability to compete against foreign financial entities that are not subject to its regulations, and

WHEREAS, the costs that businesses must bear to comply with the extensive provisions of the Sarbanes-Oxley Act are unnecessary and crippling, disproportionately affecting smaller businesses, and

WHEREAS, financial market scholars have observed that the Sarbanes-Oxley Act has produced the unfortunate consequence of discouraging American businesses from listing with New York stock exchanges and listing instead in England where the markets and stock exchanges are less heavily regulated, and

WHEREAS, the Sarbanes-Oxley Act is a very costly example of Federal Government intrusion that imposes unnecessary regulatory costs on American businesses and interferes with basic free market principles, and

WHEREAS, instead of preventing fraud and ensuring transparency, the extensive regulations created by the Sarbanes-Oxley Act have thwarted the creation of new public companies, driven business away from domestic stock markets, and cost the industrial sector billions of dollars, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Congress of the United States is urged to repeal the Sarbanes-Oxley Act of 2002 to remove the damaging obstacles that the act has created for American public companies and replace it with reasonable non-intrusive measures to protect investors.

WHEREAS, the health insurance mandate of the Patient Protection and Affordable Care Act is a form of government interference in the free market and an all-out assault on personal liberties, and

WHEREAS, the mandate for individuals to purchase health insurance exceeds the scope and authority of the United States Congress, and

WHEREAS, as the United States economy continues to struggle and the unemployment rate holds steadfast at alarming percentages, the employer mandate to provide health insurance to employees will raise the cost of hiring new employees and have an adverse effect on the state of our economy, and

CS/HM 1349—A memorial to the Centers for Medicare and Medicaid Services requesting approval of waivers enabling planned statewide implementation of Florida's Medicaid reform program.

WHEREAS, the Florida Legislature believes that Medicaid reform should be both pro-patient and pro-taxpayer and Florida's Medicaid Reform pilot program has achieved both, and

WHEREAS, legislation passed during the 2011 legislative session implemented statewide Medicaid reform based on the successful pilot program, and

WHEREAS, Medicaid patients should have more control over their health future than the current system allows, and care decisions should not be made by politicians and bureaucrats, and instead should be made by Medicaid patients and doctors based on specific health care needs, and

WHEREAS, taxpayers should have peace of mind that their sacrifice is funding an efficient, affordable, and sustainable Medicaid safety net that keeps patients healthy and that, as the cost of maintaining traditional Medicaid coverage continues to grow, they are not threatened with tax hikes and service cuts to fund a failing program, and

WHEREAS, Medicaid patients in counties where the Medicaid reform pilot program was implemented are healthier and happier with their care than patients enrolled in traditional Medicaid managed care and commercial health maintenance organization plans, have better health outcomes based on a series of benchmark indicators, have more plan options, and have access to health services not covered by any other Medicaid program in the nation, and

WHEREAS, competition within Florida's pilot program has resulted in better and more customized benefits for patients, more benefit coverage than traditional plans, and lower costs for patients, and

WHEREAS, Florida taxpayers have saved up to \$118 million annually since 2006 when Florida's five-county Medicaid reform pilot program took effect, and approval of Florida's waiver requests will allow Florida taxpayers to save an estimated \$901 million annually, and

WHEREAS, the approval of Florida's waiver requests will allow all Florida residents to enjoy the benefits of Medicaid reform that is efficient, affordable, and sustainable, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Legislature, in the best interests of the citizens of the State of Florida, requests the Centers for Medicare and Medicaid Services to approve Florida's requested waivers allowing Florida's Medicaid reform to be implemented statewide.

WHEREAS, La Caroline, the first French settlement in the present-day United States, was established for the purpose of individual and religious

freedom in what is now Jacksonville on June 22, 1564, under the leadership of René Goulaine de Laudonnière, as a result of a second French sailing expedition, and

WHEREAS, France has established a long-lasting relationship with Florida through its trade, cultural, and education organizations, and

Be It Resolved by the House of Representatives of the State of Florida:
